

QUALITY & COMPLIANCE

PT SRI GUNTING PRATAMA

Quality Control System

ID: PT Sri Gunting Pratama menerapkan sistem pengendalian mutu internal untuk memastikan konsistensi dan keamanan produk. Setiap batch produksi dilakukan pengujian parameter utama sebelum dilepas ke pelanggan.

EN: PT Sri Gunting Pratama applies an internal quality control system to ensure product consistency and safety. Each production batch undergoes key parameter testing prior to release.

QC Parameter	Control Method
Gelling Strength	Internal laboratory testing
Moisture Content	Gravimetric method
Visual Cleanliness	Manual inspection
Batch Consistency	Standardized process control

Compliance Statement

ID: Produk diproses menggunakan bahan baku rumput laut yang aman pangan dan ditangani sesuai praktik produksi yang baik.

EN: Products are processed using food-safe seaweed raw materials and handled in accordance with good manufacturing practices.

PRODUCT DATASHEETS

AGAR-AGAR POWDER

Grade GS 700

Parameter	Specification
Raw Material	Selected Gracilaria seaweed
Gelling Strength	$\geq 700 \text{ g/cm}^2$
Moisture Content	$\leq 14\%$
Mesh Size	80 – 120 mesh
Color	Off-white to light cream
Odor	Neutral
Solubility	Hot water soluble
Application	Jelly, dessert, confectionery, food processing

Grade GS 800

Parameter	Specification
Raw Material	Selected Gracilaria seaweed
Gelling Strength	$\geq 800 \text{ g/cm}^2$
Moisture Content	$\leq 14\%$
Mesh Size	80 – 120 mesh
Color	Off-white to light cream
Odor	Neutral
Solubility	Hot water soluble
Application	Jelly, dessert, confectionery, food processing

Grade GS 900

Parameter	Specification
Raw Material	Selected Gracilaria seaweed
Gelling Strength	$\geq 900 \text{ g/cm}^2$
Moisture Content	$\leq 14\%$
Mesh Size	80 – 120 mesh
Color	Off-white to light cream
Odor	Neutral
Solubility	Hot water soluble
Application	Jelly, dessert, confectionery, food processing

EXPORT READINESS CHECKLIST

- Company Profile Export (Bilingual)
- Production Capacity & Lead Time Document
- Quality & Compliance Statement
- Product Datasheets per Grade
- Consistent Website Content
- Clear Contact & Business Inquiry Channel
- Stable Raw Material Supply
- Export Packaging Readiness
